## **13. Official HRB Seal**

- (1) The Board shall obtain and keep an official HRB Seal in its possession.
- (2) The official HRB Seal shall be used to stamp the Board's important documents to show that the documents are certified by, and agreed upon by, the Board of Directors.
- (3) The HRB Seal shall be used on documents such as, but not limited to:
  - i. Registration certificates;
  - ii. Practicing licenses;
  - iii. Contracts, agreements, other commitments by the Board;
  - iv. Official legal documents;
  - v. Minutes from Board of Directors' meetings.
- (4) The HRB Seal shall contain the following information:
  - i. The name of the Board;
  - ii. Year of incorporation.

## **14. Dishonest practices**

- (1) The Registrar shall appoint an ad hoc Complaints and Disciplinary Committee to adjudicate over complaints by and about a person or firm registered under the Act, and to institute disciplinary proceedings against such persons or firms accused of dishonest practices or unprofessional conduct or acting against the terms of the Code of Conduct and Ethics for Hydrology Practice.
- (2) Any registered hydrology professional or member of the public may report to the Board or to any other relevant authority, cases of suspected dishonest, unprofessional conduct or acting against the

terms of the Code of Conduct and Ethics for Hydrology Practice .

- (3) Any person with a complaint against a person or firm registered under the Act should submit his or her complaint to the Registrar in writing.
- (4) After receipt of a complaint under sub section (3) and it is satisfied that there may be sufficient grounds for the complaint, the Complaints and Disciplinary Committee will investigate the complaint and report its findings to the Board.
- (5) The Complaints and Disciplinary Committee will reply to the complainant, copied to all other relevant parties, within fourteen (14) days of receiving the complaint stating what action is being taken, the position of the Committee on the matter and or any recommendation to the complainant;
- (6) Prior to any inquiry proceedings, the Registrar shall, by way of registered post to the last known address, inform the person or firm whose conduct is being inquired into, of the following:
  - (a) the nature of the complaint against the registered hydrology professional or consultant firm;
  - (b) the fact that the person or firm may be required to attend and give evidence before the Complaints and Disciplinary Committee, where required to do so.
- (7) The Complaints and Disciplinary Committee shall investigate the complaint within a period of twenty-one (21) days of being constituted and submit its finding and recommendations to the Registrar.
- (8) The Registrar shall submit the Committee's findings and recommendations to the Board within seven (7) of receipt of findings and recommendations from the Registrar.
- (9) Upon receipt of Committee's findings and recommendations, the Board shall make a ruling on the matter within sixty (60) days.
- (10) Any person aggrieved by the decision of the Board may appeal to the Cabinet Secretary within fourteen (14) days of the date of notification of the Board's decision, provided that any person aggrieved by the decision of the Cabinet Secretary may prefer a further appeal to the Water Tribunal.
- (11) Any person aggrieved by the decision of the Water Tribunal may prefer a further appeal to the High Court within fourteen (14) days of the decision of the Water Tribunal.

## **15. Exemptions**

- (1) Pursuant to Section 36 of the Act, the Cabinet Secretary may, upon application to the Board, grant exemptions to certain persons, or classes of persons in particular hydrology disciplines or in particular occupations or employment, from having to comply with the provisions of this Act, provided they:
  - a) Have at least 25 years of continuous service and contribution to the practice and development of hydrology, either in an individual capacity or in employment in an organization, institution, firm or any such entity recognized by the Board and whose main activities are of a hydrological nature;

- b) Have made notable contribution to the practice and development of hydrology, either in an individual capacity or in employment in an organization, institution, firm or any such entity recognized by the Board and whose main activities are not of a hydrological nature;
  - c) Are Kenyan citizens; or
  - d) Have any other qualification, quality or achievement that the Board, in its considered judgment, considers as worthy of granting an exemption.
- (2) The Board may request such certificates, documents or other information that it considers necessary to inform its decision for exemption.
  - (3) The Board shall require that any person or class of persons that it considers for exemption to comply with all other conditions as may be prescribed by these Regulations.
  - (4) The Board shall grant exemptions for a period not exceeding 12 months.
  - (5) All exemption periods shall expire on the 31<sup>st</sup> December of that particular calendar year in which the exemption was granted.
  - (6) Nevertheless, the Board may, with the approval of the Cabinet Secretary and subject to new information or unfolding situations or conditions, and without the need to give reasons, declare any exemption earlier granted to be null and void. The decision of the Board to terminate any exemption will be final.
  - (7) Notwithstanding the above, the Board may not recommend more than ten (10) exemptions in any one calendar year.
  - (8) A list of all persons exempted under Sub Section (1) above shall be published by 31<sup>st</sup> March of every year.

## **SECOND SCHEDULE**

### **1.0 CONDUCT OF BUSINESS AND AFFAIRS OF THE BOARD**

1.1 The Cabinet Secretary, in consultation with the Board, deploy to the Board such officers and other staff as are necessary for the proper discharge of its functions under this Act, upon terms and conditions of service as it may determine, with regard to existing laws and in consultation with legally-mandated government institutions.

1.2 The Board shall, in consultation with the Cabinet Secretary, employ such officers and other staff as are necessary for the proper discharge of its functions under this Act, upon terms and conditions of service as it may determine, with regard to existing laws and in consultation with legally-mandated government institutions, bearing in mind its ability to sustain all related costs.

1.3 The Board shall prepare a Board Charter that defines the roles, responsibilities, structures and processes of the Board.

1.4 The Board shall strengthen the full board's governance performance and practices by undertaking an annual self-evaluation exercise aimed at establishing a common understanding of Board's roles and responsibilities and measuring the Board's performance against these recognized roles and responsibilities.

1.5 The Board shall, when necessary, establish ad-hoc committees as required to deal with any ad-hoc matters requiring focused attention.

## **THIRD SCHEDULE**

### **1.0 DETERMINATION OF PROFESSIONAL QUALIFICATIONS AND COMPETENCE**

1.1 The Board shall study and affirm Professional Qualifications and Competence of all persons and firms applying for registration by the Board.

1.2 Subject to Section 18 (4) of the Act, the Board shall administer professional examinations and examine academic qualifications for professional competence leading to registration of hydrology professionals.

1.3 Subject to Section 18 (4) of the Act, the Board may require an applicant for registration as a hydrology professional to furnish it with proof of good conduct from the relevant authorities mandated to provide such information.

1.4 The Board shall administer professional examinations in different disciplines of hydrology and in accordance with the requirements as prescribed in this Schedule.

1.5 The mode of examinations shall be in the form of —

- (a) written examination;
- (b) detailed professional training report as may be determined by the Board; and
- (c) Professional interview.

1.6 A candidate may be exempted from paragraph 1.5(a) where the Board is satisfied that the professional training report and professional interview are adequate for purposes of professional examination.

1.7 A candidate shall be eligible to sit for the professional examination after serving for a period of not less than two years as a graduate hydrologist.

1.8 A candidate shall be examined for competence in his/her discipline of education in hydrology and training.

1.9 A candidate shall pay application and professional examination fees provided for in the Fourth Schedule.

1.10 The Board shall make a decision on examination results. The pass mark shall be fifty per cent.

1.11 The Board may review its decision on examination results upon appeal by the applicant.

1.12 The Board's decision after the appeal shall be final and binding.

1.13 Every report forming part of examinations shall be written in English.

1.14 The Professional interviews shall be conducted in English.

1.15 A candidate wishing to sit for the examinations shall make an application in writing and in English to the Board in the prescribed form and pay the prescribed fee. However—

(a) if an application in relation to this regulation is made electronically, the supporting documents referred to in sub-regulation xxx shall be submitted to the Board by registered mail or by hand delivery;

(b) an application shall not be considered duly completed for purposes of these Regulations, unless all documents are received by the Board;

(c) an application for professional examination shall be valid only for the scheduled examinations applied for; or

(d) A candidate may request once in writing for postponement of examination at least seven (7 No.) days before the date of the examination.

(e) Subject to sub-paragraph (c), a candidate who does not appear for the examinations applied for, shall be required to make a fresh application.

1.16 Professional interviews shall be conducted in English.

1.17 The Board shall require that all original and certified copies of certificates, design drawings, design calculations and any other relevant documentation shall be presented during professional interviews.

1.18 Information of the date, time and venue of the examinations shall be given to the candidates not later than fourteen (14 No.) days before the examinations.

1.19 The Board shall inform the candidates of the results upon approval by the Board.

1.20 A candidate found to have performed irregularities before or during examinations shall be disqualified and disciplinary action taken against him or her as may be determined by the Board.
