

EXPRESSION OF INTEREST TO REGISTER AS A PROFESSIONAL HYDROLOGIST

The Hydrologists Registration Board is a State Corporation under the Ministry of Water, Sanitation and Irrigation whose main mandate is to oversee professional competence and promote standards of practice of Hydrology in Kenya.

The draft Hydrologists Regulations, 2022 have been developed and the process of gazettelement is underway. Once the Regulations are gazetted. the Board shall begin registering and licensing professional hydrologists.

In order to facilitate prompt sharing of information, the Board is creating a data bank of individuals interested in registering as professional hydrologists after the Regulations are gazetted. Such persons are hereby requested to forward their details to info@hydrologistsboard.go.ke and to registrar@hydrologistsboard.go.ke.

The required details are: full names, profession, email address, mobile and telephone numbers.
